LETTER OF INVITATION

Dear Green Advocates,

As we come together to celebrate our shared responsibility towards our planet, Lumina Terra School of Nations proudly invites you to the LT Stewardship Festival 2026, a celebration of nature, creativity, and conscious living.

The LT Stewardship Festival is more than just an event; it is a meaningful journey that inspires every learner to become a thoughtful steward of the Earth. Through creativity, collaboration, and innovation, we celebrate the values of environmental responsibility while empowering young minds to build a greener and more sustainable tomorrow.

This year, we warmly invite all families, students, teachers, and our extended community to join us for a memorable day where learning comes alive through hands-on experiences, artistic expression, inspiring performances, and meaningful action for our environment.

What Awaits You?

- Inspiring student-led eco challenges and performances
- Creative events celebrating nature and sustainability
- Tree Plantation and Adopt-a-Plant Initiative
- Interactive Seedball Workshop
- Forest of Gratitude (Stewardship Wall)
- Eco-friendly displays, creative corners, and family experiences
- Young Earth Keepers' Recognition Ceremony

Let us celebrate the beauty of nature by learning, creating, and acting together. Every small step we take today nurtures a healthier planet for generations to come.

Together, let us inspire young hearts to care, conserve, and lead with purpose.

Join us and celebrate stewardship, the Lumina Terra way!

Ms Priya Chhatrawal
*Principal,
Lumina Terra
School of Nations*

MESSAGE FROM THE MANAGING DIRECTOR

Mr. Robert Gandhi
*Managing Director,
Lumina Terra
School of Nations*

Dear Principals, Educators, Students, and Esteemed School Communities,

It gives me immense pleasure to welcome you to the LT Stewardship Festival 2026, a unique celebration dedicated to nurturing environmental consciousness, creativity, and responsible citizenship among young learners.

At Lumina Terra School of Nations, we believe that stewardship begins with awareness and grows through meaningful action. This festival has been envisioned as a platform where students can explore their role as caretakers of our planet through innovative challenges, collaborative learning experiences, and creative expression.

I am delighted to invite your school to be a part of this inspiring journey. The LT Stewardship Festival is not a competition but a collective challenge that encourages every participant to learn, create, and contribute towards a greener and more sustainable future. Through engaging activities, eco-challenges, artistic showcases, and community initiatives, students will have the opportunity to demonstrate their commitment to environmental responsibility while learning from one another.

Your participation will not only enrich this festival but also strengthen our shared mission of empowering young minds to lead with compassion, purpose, and respect for nature.

Together, let us inspire the next generation to care for the Earth, celebrate sustainable practices, and become true stewards of our environment.

We look forward to your enthusiastic participation and to celebrating stewardship with your school community.

RULES & REGULATIONS

RULES FOR PARTICIPATION:

- Maximum entries of two participants per event per school is allowed.
- All participating students must be accompanied by a teacher (maximum of two teachers per school), parent, or guardian.
- Schools/parents are requested to complete and submit the Registration Form by 22 July 2026.
- Participants must report to Lumina Terra School of Nations at 8:30 a.m. for registration on the event day.
- The Stewardship Festival 2026 is a challenge-based learning event and not a competition. Participants are encouraged to focus on creativity, collaboration, innovation, and learning.
- Each school will be allotted a unique code upon completion of registration.
- The final submission for all online challenges must be completed by 25 July 2026.
- Any changes in participation details must be communicated by 24 July 2026.
- Participants are encouraged to adopt and demonstrate eco-friendly and sustainable practices in the preparation and presentation of their projects and challenges.
- Safety, decorum, and discipline are to be maintained by all participants and accompanying adults throughout the event.
- All participants will receive a Certificate of Participation in recognition of their efforts and contribution.
- By participating, students agree to showcase original work and uphold the spirit of stewardship, responsibility, and environmental awareness.

FROM WASTE TO WONDER

THE EARTH KEEPERS' SHOWCASE

Group A (3 year olds)

RULES

- Participants will walk the runway dressed in a creative costume made from recycled, upcycled, or eco-friendly materials.
- The costume should reflect the theme of Nature Conservation and Sustainability.
- Each participant will present a short eco-message (30–60 seconds) introducing their costume.
- The eco-message should briefly include:
 - # The inspiration behind the costume.
 - # The recycled or eco-friendly materials used.
 - # One simple action everyone can take to protect the environment.
- No background music or pre-recorded audio will be permitted during the presentation.
- Only handheld props are allowed. Large stage setups or floor props will not be permitted.
- Parents may assist in designing the costume; however, the child's participation and understanding of the concept are encouraged.
- The costume should be comfortable, safe to wear, and allow the child to walk confidently on stage.

CRITERIA TO BE MET

- *Creativity and originality of the costume*
- *Effective use of recycled/upcycled materials*
- *Clarity and confidence while presenting the eco-message*
- *Relevance to the theme*
- *Overall presentation and stage presence*

LITTLE VOICES FOR THE PLANET

ELOCUTION

Group A (4 to 5 year olds)

Young participants will confidently express their love and concern for nature through short poems on one of the following themes:

- My love for Nature
- Save Water
- My Green Earth
- Trees Are Our Friends

RULES

- Participants will present an original or selected speech/poem based on the given theme.
- The speaking duration should be 2–3 minutes.
- The poem should be age-appropriate, relevant to the theme, and delivered from memory.
- Participants are encouraged to use clear pronunciation, appropriate voice modulation, and expressive gestures.
- No background music, audio effects, or visual presentations will be permitted.
- Only handheld props, if relevant to the theme, will be allowed. Large stage setups or floor props are not permitted.

CRITERIA TO BE MET

- *Clarity of speech*
- *Confidence*
- *Expression and voice modulation*
- *Content relevance*
- *Overall presentation*

NATURE'S CANVAS

AN ECO-ART CHALLENGE

Theme: Nature's Treasures

Group A (5 year olds)

RULES

- Participants will create an artwork based on the theme using natural materials such as leaves, flowers, twigs, seeds, grass, feathers, or other responsibly collected nature-inspired elements.
- Only A3 drawing sheets will be provided to the participants.
- Participants are requested to bring all the required materials, including leaves, flowers, twigs, seeds, grass, feathers, and any other natural or eco-friendly decorative items they wish to use.
- Eco-friendly craft materials such as glue or natural embellishments may be used to enhance the artwork.
- All materials should be collected responsibly without causing harm to plants or the environment.
- The artwork should be completed within the allotted competition time.
- The activity aims to encourage creativity, observation of nature, and appreciation for the environment through artistic expression.
- Participants will have 45 minutes to complete their artwork.

CRITERIA TO BE MET

- *Creativity and imagination*
- *Relevance to the theme*
- *Effective use of natural and eco-friendly materials*
- *Composition and overall presentation*
- *Neatness and effort*

GREEN SPARK CHALLENGE

ONE-MINUTE GREEN REEL (ONLINE ENTRY)

Group A (3 to 5 year olds)

Children, with the support of their parents, will create a one-minute video showcasing:

- One sustainable habit they practise
- One environmental issue they observe
- One simple solution they can adopt

RULES

- The video should be up to 60 seconds in duration.
- The child must be the primary presenter and should actively participate in the video.
- Parents may assist with recording and editing, but the child's ideas and voice should be the highlight.
- Videos may be recorded at home, School, in a garden, at a park, or any safe outdoor location.
- Participants must not mention their school name while introducing themselves in the video and should mention only their school code.
- The message should be simple, age-appropriate, and focused on caring for the environment.
- Ensure the video is clear, audible, and recorded in landscape mode.
- The participant's school code should be mentioned at the beginning or end of the video.
- Entries should be submitted in MP4 format by 25 July 2026.

CRITERIA TO BE MET

- *Creativity and originality*
- *Clarity of the message*
- *Relevance to the theme*
- *Practicality of the suggested solution*
- *Overall impact and presentation*

RHYTHM OF NATURE

AN ECO-MUSIC PERFORMANCE

Group B (10 to 12 year olds)

Participants will create and perform a musical presentation using instruments made from recycled or upcycled materials such as bottles, cans, cardboard tubes, boxes, containers, or other household items. The performance may include singing, rhythm, or instrumental music while promoting the message of environmental conservation.

RULES

- The performance may be solo or group-based (maximum 5 participants).
- Use only self-made instruments crafted from recycled or upcycled materials.
- The performance should be 3–5 minutes in duration.
- Participants may perform an original composition or a known song with an environmental message.
- A brief introduction (30–60 seconds) explaining the instrument(s) and their materials is encouraged.

CRITERIA TO BE MET

- *Creativity in designing the instrument(s)*
- *Musical rhythm and coordination*
- *Stage confidence and presentation*
- *Relevance to the theme*
- *Overall impact*

NATURE THROUGH MY LENS

PHOTOGRAPHY CHALLENGE (ONLINE ENTRY)

Group B (8 to 12 year olds)

Capture the beauty, diversity, and wonder of nature through your camera lens. Participants are encouraged to observe the world around them and showcase moments that inspire appreciation for our environment on one of the following themes:

- Colours of Nature
- Hidden Wonders
- Wildlife Around Me
- Trees: Our Silent Guardians

RULES

- Submit one original photograph taken by the participant.
- Basic editing (cropping, brightness, contrast) is permitted; digitally manipulated or AI-generated images will not be accepted.
- Include a creative title (maximum 10 words) along with the participant's school code.
- The photograph should be submitted in JPEG or PNG format by 25 July 2026.
- By submitting the entry, participants grant the school permission to display the photograph during the event and on its official platforms, with due credit.

CRITERIA TO BE MET

- *Creativity and originality*
- *Relevance to the theme*
- *Composition and framing*
- *Technical quality*
- *Visual storytelling and overall impact*
